Including Others

Inviting others to do what you are doing is a way to show kindness and respect. Making good choices and asking others to is a way of showing leadership.

Using Manners

Good manners are like a code of respect! They are the things you do and say to show kindness and courtsey to others.

Having Patience

Having patience means waiting your turn.

P-EBT Applications Open 8/7 for Most Eligible Students

Public and private school students can apply Aug. 7; Homeschool and virtual students can apply Sept. 4

P-EBT provides a reimbursement to households with students that attended school in-person, virtually or through homeschool and had any COVID-19 related school absences between Sept. 1, 2022, and May 11, 2023. This reimbursement is meant to cover the cost of at-home food purchases made because the student was unable to participate in school learning due to a COVID-19 related reason.

The benefit amount varies for each approved student due to the number of days missed. The daily amount for each school day missed is \$8.18.

The application will roll out in phases. The first application phase begins Aug. 7: Beginning Aug. 7, public and private school students who received free or reduced price meals at school AND were absent from school one or more days due to COVID, may apply for P-EBT for the days missed. The applicant will need the student's State Student Identification Number (SSID), dates of school days missed for COVID-related reasons for Sept 1, 2022, through May 11, 2023, and other personal identifying information for the student.

Beginning Sept. 4, homeschool students and students who attended school virtually may apply for benefits. The applicant will need the student's personal identifying information and, if a benefit recipient, the household's case number. Applicants may also need household financial information to complete the application for homeschool and virtual students.

Parents must apply at https://www.kypebt.ky.gov/ to determine if their child is eligible for a reimbursement.

Summer P-EBT

Enrollment in Summer P-EBT is automatic for public and private school students who received free/reduced-price meals during May 2023.

SNAP recipients under age 6 (aka Child Care P-EBT), homeschool, and virtual students are not eligible due to the end of the federal Public Health Emergency on May 11, 2023.

Published: 5/5/2023 1:23 PM

Most Kentucky households with a student enrolled in public school qualify for a monthly discount on their home or mobile internet service through the <u>Affordable Connectivity Program</u> (ACP). Chances are you qualify!

At least 80% of Kentucky households with students enrolled in public schools are eligible for ACP benefits. Here are the ways you can qualify:

 where all students receive free- or reduced-price meals,
- you or your child/dependent participate in government assistance programs such as SNAP,
 Medicaid, Free or Reduced-price School Lunch Program, or <u>other programs</u>.
- · household income is 200% or less than the Federal Poverty Guidelines, or
- · anyone in your household already receives a Lifeline benefit.
- If you still have questions about if you qualify, please visit the <u>Do I Qualify ACP webpage for specifics.</u>
