

## PARTICIPATING PROVIDER DIRECTORY

This directory is designed to assist you in knowing which dentists and specialists in your area are participating in the Delta Dental PPO Network. The dentists are listed in alphabetical order, by county, by specialty. By using these network providers, you will realize many benefits:

- These dentists have agreed to accept our allowable amounts as payment in full for covered services. You pay only deductible, copayments, and fees for non-covered services.
- All claims will be filed for you.
- Credentials of participating dentists have been reviewed by Delta Dental, although we do not guarantee the performance or quality of work of any dentist.

### IMPORTANT!

If you receive care from providers who do not participate in the Delta Dental PPO network, benefit levels are reduced, and therefore your out-of-pocket expenses may be significantly higher.

Please note that the providers listed within this directory may change, new providers may be added and some may leave. If you are unsure about their status, ask your dentist or call our Customer Service Department at (800) 955-2030. You may also visit our website at [www.deltadentalky.com](http://www.deltadentalky.com).
