

PARTICIPATING PROVIDER DIRECTORY

This directory is designed to assist you in knowing which dentists and specialists in your area are participating in Delta Dental's program. The dentists are listed in alphabetical order, by county, by specialty. By using these participating dentists, you will realize many benefits:

- These dentists have agreed to accept our allowable amounts as payment in full for covered services. You pay only deductible, copayments, and fees for non-covered services. You should not receive any balance bills.
- All claims will be filed for you.
- Credentials of participating dentists have been reviewed by Delta Dental, although we do not guarantee the performance or quality of work of any dentist.

IMPORTANT!

If you do not use participating dentists, you will be responsible for paying any differences between the dentists' fees and our allowable amounts.

Please note that the dentists listed within this directory may change, new providers may be added and some may leave. If you are unsure about their status, ask your dentist or call our Customer Service Department at (800) 955-2030. Visit our website at www.deltadentalky.com.
