Start saving on your home internet with the Affordable Connectivity Program

Published: 5/5/2023 1:23 PM

Most Kentucky households with a student enrolled in public school qualify for a monthly discount on their home or mobile internet service through the [Affordable Connectivity Program](#) (ACP). The ACP is provided by the Federal Communications Commission to support student success. KDE encourages all eligible households to claim this benefit and start saving on your internet service.

You may be able to save:

- Up to \$30/month on your new or existing internet service, and/or
- a one-time discount up to \$100 for the purchase of a tablet, laptop, or desktop computer.

Chances are you qualify!

At least 80% of Kentucky households with students enrolled in public schools are eligible for ACP benefits. Here are the ways you can qualify:

- your child/dependent is enrolled in a school participating in the Community Eligibility Program where all students receive free- or reduced-price meals,
- you or your child/dependent participate in government assistance programs such as SNAP, Medicaid, Free or Reduced-price School Lunch Program, or [other programs](#).
- household income is 200% or less than the [Federal Poverty Guidelines](#), or
- anyone in your household already receives a Lifeline benefit.
- If you still have questions about if you qualify, please visit the [Do I Qualify ACP webpage for specifics](#).

To learn more, visit the [Federal Communications Commission site](#) or call (877) 384-2575.

Emerging Artists Founding Director

About the Staff:

Dr. Bradley Almquist and Ms. Elizabeth Huling are serious about training young musicians, but like to have fun too! Both have years of experience performing and teaching music in the state of Kentucky and beyond. Many of their former students have gone on to serve as effective educators, musicians, and musical artists!

Dr. Almquist is Director of Choral Activities at Murray State University. In addition to that he is the director of the Paducah Symphony's Children's Choir and Symphony Chorus. Dr. Almquist is a sought after clinician for choirs, and along with his vast knowledge of Choral and Vocal Pedagogy, is known for his research of how the brain learns music. Younger Emerging Artists think he is a wizard at teaching them how to read and sing music! They have nicknamed him the Obi Wan Kenobi of Music Literacy!

Elizabeth Huling, upon retiring from a career of performing opera and musical theater in New York, returned to Kentucky and founded Emerging Artists Group where she teaches private voice and theater. She has trained over 500 plus emerging artists in the past 15 years in her private studio, camps, and productions. Elizabeth is a sought after director and musical director for theater and opera, but her specialty is helping individual students recognize their gifts and operate in them confidently. She feels her greatest calling is that of "encourager"! She is fondly known as "Miss Elizabeth".

Dr. Almquist and Miss Elizabeth love nothing more than witnessing students as they express joy in singing, grasp a new concept, and take the stage confidently! Both are educators at heart, even though having great experience as musical artists. "We love to laugh and make our students laugh. That is always the sweetest music to our ears!"

If you or a family member currently has health coverage through Medicaid or the Kentucky Children's Health Insurance Program, called KCHIP, there are changes coming.

What's changing?

Because of COVID-19, the federal government declared a public health emergency (PHE). During this time, changes were made so that Medicaid and KCHIP renewals were not required, so people did not lose their coverage.

However, Kentucky will restart Medicaid annual renewals April 1, 2023. Make sure you take the necessary steps to keep your coverage!

What do you need to do?

1 Update your information:

Make sure kynect.ky.gov

has your correct:

- ✓ mailing address
- ✓ phone number
- ✓ email

This way, we can contact you without delay.

2

Check your mail:

You will get a letter about your Medicaid or KCHIP renewal **when it is your time**. The letter will let you know if you need to complete a form or send in information to keep your coverage.

3

Send in information:

If you get a form, fill it out, return it right away. Make sure to give us any information we request. The information will help determine if you still qualify for coverage.

Have questions? Need help?

To make sure your information is updated, visit kynect.ky.gov

G-FORCE

A support program for grieving youth

Gravity. It grounds us. It holds us in orbit. It helps us stay centered. It pulls against us when rocketing into the stratosphere. Grief works much the same way. G-Force refers to the pull of gravity when making a transition forward. It takes practice and conditioning to withstand the pressure and to adapt. So does grief. We are not helpless in the face of loss. We can become stronger, more resilient, and confident that we can do hard things.

G-FORCE is a peer-centered education, support, and networking opportunity for youth coping with loss due to death. Meetings occur throughout the year offering a cycle every fall and spring following the school calendar. Youth can join at any point and re-up in an upcoming cycle.

G-FORCE meets at the Hosparus Health Grief Counseling Center

Ofrecemos una variedad de formas de buscar cuidado infantil regulado por el estado en Louisville y sus alrededores. Podemos buscar cuidado infantil en función de las edades de sus hijos, sus horarios de trabajo y hogar, su ruta de viaje, si necesita transporte para su hijo y otros factores que hacen que sus necesidades sean únicas. No autorizamos, respaldamos ni recomendamos a ningún proveedor en particular. Solo usted puede determinar el entorno de atención de mejor calidad para su hijo.

- **BÚSQUEDA EN LÍNEA:** esta herramienta le permite crear su propia búsqueda personalizada de cuidado infantil regulado por el estado en Kentucky. Esta búsqueda incluye información sobre edades atendidas, horas de funcionamiento y calificaciones de STAR. Se le pedirá que cree información de inicio de sesión.
