May 14th: FIELD DAY

On Thursday, May 14, 2020, Heritage Elementary will be celebrating the school year with a VIRTUAL FIELD DAY!

Students will be able to join their classmates, schoolmates, teachers, and faculty for some fun activities via the internet. Most of the activities will have no equipment or set-up. The activities that do require equipment will be super easy to set-up and need only basic items found around the house. We want this to be stress-free for all families. Teachers and faculty will help lead the various activity stations at different times during the day. Our goal is for the students to be able to have some fun activities while socializing with friends and faculty! Look for more details to follow on email through blackboard messaging. Stay Healthy!

May 15th: CLASS AWARDS DAY

More detailed information will come via blackboard messaging in email at a later date. We are excited to celebrate our students! Please join us!
