P - Prepare Daily

R- Respect All

I- I Think First

D- Demonstrate Responsibility

E- Expect Excellence

Missile PRIDE drives all we do at East Middle. Whether it is walking through the hallway, completing high quality work, or showing good sportsmanship on the field, students and educators discuss behavior - positive, negative, academic, social, private, and public - through the lens of the PRIDE expectations. Our PRIDE pledge reminds us of how we can be our best for our learning community.

- Advisors for every student
- Student learning plans help celebrate, goal set, & reach success
