### Dreambox and Lexia

To enhance learning over the course of the school year, we will be using two online programs, Dreambox and Lexia. Dreambox is a math program that helps students to achieve better, faster, math proficiency and Lexia is a literacy program that provides explicit, systematic and personalized learning by targeting skill gaps as they emerge. These programs can be used not only in the classroom but at home as well. Below, you'll find instructions for logging into these programs by using Clever. Clever is one platform that allows schools to have a central location to manage their technology and login to all applications.

#### Student Log In via Clever

1. Go to the portal website: <https://clever.com/in/shelby-co-public-school-district744ee2f11443000590> OR go to the "For Students" Quick Links on the district website.
2. To Login, use the attached QR code by clicking on the Clever Badge Log In and holding the code in front of your device's camera.

3. Once logged in, you will see a set of icons that you can use to log into Dreambox or Lexia.

If you have trouble logging into Clever using the Clever Badge, you can login using the standard username and password for your student.

**KIDS EAT FREE!**  
**MEAL SITES IN SHELBY COUNTY**

Shelby County Public Schools will be providing FREE meals to kids during the school closure from March 16 to March 27. One lunch and one breakfast meal will be given to each child who comes to one of the schools listed below between 10:30 and 12:30 Monday-Friday. All meals are “to go” and will be available at the front door of the school. If you cannot make it to one of the three schools below, SCPS buses will be making stops all around the county where children can receive meals. See addresses and times below for the bus stops.

Meals will be provided to all children under the age of 19 and are the same for all children regardless of race, color, national origin, sex or disability. There are no income limitations for the program.

**Please be aware the meals may contain Wheat, Egg, Dairy or any other food associated allergy.**

## Best Social Skills Games For Teaching Kids Social Skills - Kiddie Matters

Social skills games teach children social skills such as taking turns, communicating with others, making friends, resolving conflicts, and much more.

## Social-Emotional Activities for Children

How to play: When you and your child can't agree, use the tune of "This Old Man" to sing these lines: "You want this. I want that. How can we both get what we want?" Then brainstorm solutions and choose the best idea for right now. For example, if your child is demanding to bake cookies at 8 a.m., the best solution might be to wait two hours so you can bake when the baby is napping.
