Budget Report- The budget has been reworked due to new coordinators being hired in the district. Our new budget for 2021-2022 went from \$633.03 to \$1,145.03.

Implementation Report: Coordinator filled out the report and shared it with the advisory council. Programs were mostly implemented for last year or partially implemented. Due to the Covid-19 pandemic and new regulation about having visitors in the school building there were a few programs that were not implemented or were modified with the safety parameters.

IMPACT Report: Report is on the Heritage Eagle Expedition-Reading Intervention. In 2020-2021 49% of students were below their grade level for reading. Our summer school program invited 83 students to participate in reading interventions. Weekly DRA assessments were given throughout the program.
