Start saving on your home internet with the Affordable Connectivity Program

Published: 5/5/2023 1:23 PM

Most Kentucky households with a student enrolled in public school qualify for a monthly discount on their home or mobile internet service through the <u>Affordable Connectivity Program</u> (ACP). The ACP is provided by the Federal Communications Commission to support student success. KDE encourages all eligible households to claim this benefit and start saving on your internet service.

You may be able to save:

- Up to \$30/month on your new or existing internet service, and/or
- a one-time discount up to \$100 for the purchase of a tablet, laptop, or desktop computer.

Chances are you qualify!

At least 80% of Kentucky households with students enrolled in public schools are eligible for ACP benefits. Here are the ways you can qualify:

- your child/dependent is enrolled in a school participating in the Community Eligibility Program
 where all students receive free- or reduced-price meals,
- you or your child/dependent participate in government assistance programs such as SNAP,
 Medicaid, Free or Reduced-price School Lunch Program, or other programs.
- household income is 200% or less than the <u>Federal Poverty Guidelines</u>, or
- anyone in your household already receives a Lifeline benefit.
- If you still have questions about if you qualify, please visit the <u>Do I Qualify ACP webpage for</u> specifics.

To learn more, visit the Federal Communications Commission site or call (877) 384-2575.

Kentucky Medicaid Renewals

Here is what you need to know to stay covered!

If you or a family member currently has health coverage through Medicaid or the Kentucky Children's Health Insurance Program, called KCHIP, there are changes coming.

What's changing?

Because of COVID-19, the federal government declared a public health emergency (PHE). During this time, changes were made so that Medicaid and KCHIP renewals were not required, so people did not lose their coverage.

However, Kentucky will restart Medicaid annual renewals April 1, 2023. Make sure you take the necessary steps to keep your coverage!

🔭 You will receive a letter when it is your time to renew.

What do you need to do?

Update your information: Make sure kynect.ky.gov

has your correct:

- mailing address
- phone number
- email

This way, we can contact you without delay.

Check your mail:

You will get a letter about your Medicaid or KCHIP renewal when it is your **time**. The letter will let you know if you need to complete a form or send in information to keep your coverage.

Send in information:

If you get a form, fill it out, return it right away. Make sure to give us any information we request. The information will help determine if you still qualify for coverage.

Have questions? Need help?

To make sure your information is updated, visit kynect.ky.gov or call 855-4kynect (855-459-6328)

Kentucky Medicaid will reach out to you when it is your time to renew.

You can also get help from your local Department for Community Based Services (DCBS) staff and from kynectors. To find a kynector or your local DCBS office please visit https://kvnect.kv.gov/healthcoverage.
