Dear Heritage Families:

We are announcing the fee structure for the 2022-23 school year for all our elementary grades.

- No device usage fee will be charged, however, damaged or lost items will still require a payment.
- A simpler, less expensive supply list has been developed for use by all elementary grades, district-wide.
- All elementary schools will charge the same \$20 instructional fee and no
 other fees will be charged for instructional supplies; this \$20 will cover items
 such as headphones, erasers, Primary journals, additional or specialized
 folders and notebooks, rulers, index cards, highlighters, agenda books, field
 day t-shirts, recorders, etc.
- Any elementary student participating in at least one school club will be charged only one \$20 club fee instead of multiple individual club fees.
- No other fees will be charged during the 2022-23 school year for elementary grades except for occasional field trips; the maximum fee an elementary parent will pay is \$40 (plus field trips)
- No other requests will be made for elementary parents to send in classroom supplies for the 2022-23 school year

A-waiver or adjustment may be made for any student qualifying for free or reduced meals to ensure that no student is denied services due to the inability to pay. In order for your student to receive the fee waiver, you are required to complete the Educational Benefit Form (EBF).

If you would like to donate additional funds or supplies, you can do so by contacting the school office or the Family Resource Center.

Thank you for allowing us to serve your children!

Working for Kentucky's Future - Our Children

Public invited to give input on foster care system at virtual town hall meetings in September

Let your VOICE be heard!

The public is invited to attend virtual town hall meetings in September to discuss ways to improve outcomes for Kentucky children and families involved in the foster care system. The meetings will take place September 19th, 21st, 27th, and 30th. Local Citizen Foster Care Review Boards are hosting these regional Town Hall meetings. Come prepared to voice your concerns regarding the foster care system and how communities can better support families.

Relative and fictive kin placements are instrumental in reducing the trauma of out-of-home placement as well as reinforcing children's cultural identities. Recent Kentucky legislation has expanded the definition of fictive kin to include persons with strong ties to an infant's parents and siblings. These September Town Hall meetings will focus on the important role relative and fictive kin caregivers play for children in foster care. What supports are available for relative and fictive kin caregivers in your area? Are there gaps in kinship supports? What solutions could be identified to remedy barriers and gaps in service delivery for relative and fictive kin caregivers? We would like

to hear from you and learn your responses to these questions. The meeting will allot time for open discussion. Community input is vital to identifying needs in your local area. <u>Due to confidentiality</u>, <u>specific cases will not be discussed.</u>

Findings from the meetings will be reported to the Kentucky Citizen Foster Care Review Board and will be included in the CFCRB's annual recommendations to the Supreme Court, governor and legislature. Regional meetings are among the reforms called for in House Bill 1, the adoption and foster care legislation passed in 2018 to improve outcomes for children in out-of-home care.

G-FORCE

A support program for grieving youth

Gravity. It grounds us. It holds us in orbit. It helps us stay centered. It pulls against us when rocketing into the stratosphere. Grief works much the same way. G-Force refers to the pull of gravity when making a transition forward. It takes practice and conditioning to withstand the pressure and to adapt. So does grief. We are not helpless in the face of loss. We can become stronger, more resilient, and confident that we can do hard things.

G-FORCE is a peer-centered education, support, and networking opportunity for youth coping with loss due to death. Meetings occur throughout the year offering a cycle every fall and spring following the school calendar. Youth can join at any point and re-up in an upcoming cycle.
