Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Shelby County High School is located in Shelbyville, KY, approximately 30 miles east of Kentucky's largest city, Louisville. Primarily a rural community, Shelbyville has experienced progressive industrial growth. Approximately 1250 students in grades 8-12 attend Shelby County High School. We have a minority population of approximately 25%, while approximately 45% of our students receive free or reduced price meals. Our teachers have an average of 11.6 years experience and 6 teachers are certified by the National Board for Professional Standards.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

Rocket students, staff, and community work hard day in and day out building positive learning communities, finding ways to support passions, pushing outside of comfort zones, and working for greatness. SCHS is knee high in the process of redesigning high school making decisions and creating systems that support students doing the right thing. We are positively influencing the life of every student and improving the world in which we live. Rockets are Safe, Responsible, and Respectful.
