

Learning Academy Application 2019-2020 school year

BIG Picture Learning Academy is a personalized learning pathway designed around a student's passion through real-world learning experiences. Students work with their advisor and content teachers to create a personalized-learning pathway of project-based, online, direct instruction, and/or a combination of all three. Students participate in an internship two days a week and create a project in their Internship that encompasses core content standards through their internship experience. Students share about their learning and Internship experience(s) through an exhibition each semester.

*Students are associated with their home school and are permitted to participate in extracurricular activities and athletics through their home school.

*Students apply to BIG Picture Learning Academy.
