2019-20 Phase Three: Executive Summary for Schools

2019-20 Phase Three: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Wright Elementary on the outskirts of Shelbyville, Kentucky consists of 63 certified and classified staff members. Wright Elementary supports just under 500 students in grade K- 5. Our students consist of 31 percent Hispanic, 13 percent African American 56 percent caucasian. Majority of our families 69 percent qualify for free or reduced lunches. Our families have challenges with work options and holding consistent housing options for a whole year. A challenge of having 1/5 of our students move in our out of Wright Elementary each school year has created many learning gaps for our students. Wright Elementary has struggled to receive SBDM parent representatives to hold positions on the council. Our parent volunteer base that can support during the school day is limited as many parents are working without the luxury of being able to volunteer during the school.day. Wright Elementary is working to develop community partners in our area which has a few businesses and industries. Most the industries are across town in other school zones. We are in a prime position dow the street from Shelby County High , Middle and Area Technology Center which has allowed us to work with those students and staff to enrich our school instruction.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Preparing wise students who master standards, lead by examples and embrace social responsibility is the mission of Shelby County schools. When Wright Elementary looks at its core values of Joy, Empathy, Teamwork and Service we believe that we can achieve our mission. We are committed to learning what it is to have these values and embrace our Profile of a Graduate through these core values. Wright Elementary is a house school which prides itself on positive behavior reinforcement through our core values. Staff is working on making the House systems a priority to growing and developing each other while houses are made up of all grade level teachers and students allowing for vertical collaboration.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Wright Elementary experienced exciting growth this previous year. While we know we have room to continue growing, we are very proud of the direction our growth scores indicate. Core instruction, intervention, and personalization are continually being discussed and improved upon at Wright. Additionally, we focus on core values, student exhibitions of learning, and community partnerships as well as Project-Based Learning opportunities.

Additional Information

CSI/TSI Schools Only: Describe the procedures used to create the school's improvement plan and briefly state the specific efforts to address the causes of low student performance and resource inequities.

n/a

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

Wright Elementary has four core values that we focus on each day: Joy - Empathy - Teamwork - Service.
